Consent for Medical Treatment:

Although Kulshan Veterinary Hospital provides the safest boarding environment possible, medical emergencies and/or unforeseen problems can arise. If you pet develops any problems, we will make every effort to contact you, or your emergency contact, immediately. In the event that we cannot reach a family member or friend, we would like your permission to provide essential care.

In the event that my pet develops any medical problem during its stay at Kulshan Veterinary Hospital, I authorize essential medical or surgical treatment up to \$ _____, until I can be reached. I will assume full financial responsibility for any medical treatment provided.

It is not uncommon for pets to experience loose stool caused by stress during their boarding stay. We monitor these pets closely and can medicate on an as needed basis. There is a small fee for administration and the medication used.
