WHAT CAN YOU DISPOSE OF IN A KIOSK OR MAILBACK ENVELOPE?

ACCEPTED:

Medication in any dosage form,
except for those listed below, in
their original container or sealed
bag*

*If transferring medication to a
sealed bag, please be sure to
recycle all remaining packaging.

NOT ACCEPTED:

Herbal remedies, vitamins,
supplements, cosmetics, other
personal care products, empty
medical devices or medical devices
that do not contain drugs, batteries,
mercury-containing thermometers,
sharps, illegal drugs, and pet
pesticide products.

WHY IS SAFE MEDICATION DISPOSAL IMPORTANT FOR PUBLIC HEALTH?

Proper disposal of unused medication saves lives and protects the environment.

- Unused or expired medication can lead to accidental poisoning, overdose, and abuse.
- Unused medication thrown in the trash can be retrieved and abused or illegally sold.
- Unused medication that is flushed contaminates the water supply.
